

Snagging & Handover Inspection – Jouri Hills at Tilal Al Ghaf

Jouri Hills, nestled within the prestigious Tilal Al Ghaf masterplan, showcases **modern Arabic-style villas and townhouses** surrounded by **greenbelts, play parks, and shimmering lagoons**. With elegant exteriors and contemporary interiors, these homes are designed to impress. Yet even in communities of this caliber, subtle issues—such as **grout shrinkage, balcony drainage gaps, uneven paving, or HVAC imbalances**—can appear during handover.

Our expert snagging inspections ensure your Jouri Hills home is delivered to the highest standard—**ready for flawless living from day one**.

✓ Why Choose Us

- **Jouri Hills Specialists** – Expert understanding of Tilal Al Ghaf’s architectural finishes and build practices
- **Fully Certified Team** – DED-registered, RERA-approved, and InterNACHI-accredited professionals
- **44,000+ Inspections Completed** – Trusted across Dubai’s elite villa communities
- **12-Hour Expert Reports** – High-resolution, image-rich snag documentation delivered the same day
- **Transparent, Fixed Pricing** – No surprises—what you see is what you pay
- **Pay Later with Tabby** – Flexible booking with convenient post-inspection payment

🔍 What We Inspect in Jouri Hills

Our inspections are tailored to the premium nature of villas and townhouses in this master community:

- **Flooring & Outdoor Paving**
Level checks, grout condition, chipped tiles, and drainage slope verification
- **Walls & Ceilings**
Paint finish, plaster hairline cracks, moisture marks, and settlement issues
- **Doors, Windows & Joinery**
Seal integrity, smooth operation, hinge and lock alignment, and soft-close fittings
- **Plumbing & Outdoor Fixtures**
Bathroom drainage, indoor taps, garden outlets, concealed leaks, and irrigation flow
- **Electrical & Lighting**
Socket placement, breaker panel safety, garden lighting, smart-home automation checks
- **HVAC & Ventilation**
Zone balancing, thermostat response, duct sealing, airflow temperature consistency, and quiet operation
- **Kitchens & Cabinets**
Cabinet alignment, appliance integration, seam sealing, and countertop finishes

- **Balconies & Railings**
Waterproofing, threshold sealing, tile slope checks, railing strength, and drainage testing
- **Community & Green Spaces**
Pathway finishes, landscaping, street lighting, playground fixtures, and amenity surfaces

Properties We Cover in Jouri Hills

We inspect all home types across the Jouri Hills masterplan:

- **Villas** – Spacious, private residences with gardens and upscale detailing
- **Townhouses** – Stylish, multi-level homes with outdoor terraces and green views
- **Off-Plan & Show Homes** – Model units and pending completions prior to handover

Each inspection is adapted to the **specific floorplan, elevation, and design intent** of your home—so nothing gets missed.
