🏠 Projects & Clusters We Inspect in Meydan

We cover all major residential and mixed-use projects in the Meydan area, including:

- **Azizi Riviera** – Phases Corniche I to XI
- **Ellington Projects** – The Highbury, Belgravia II
- **MAG Eye** – Townhouses & tower apartments
- **Meydan One Residences** – Golf & canal-facing buildings
- **Address Harbour Point** – Creek Harbor premium residences

We know each developer's inspection standards—and the common defects unique to their layouts and fittings.

Real Client Story: Belgravia II, Meydan

A client booked our inspection for a **1-bedroom Ellington apartment**.

“We noticed minor issues with closet tiles and AC airflow but weren't sure what else to look for.”

Our inspection flagged:

- **Inconsistent tile height in the walk-in closet**
- **Noisy and unbalanced air diffuser in the living room**

All fixes were completed *before* move-in, under developer warranty—saving the client delays and extra expenses.

Secure Your Handover, Stress-Free

Don't let small flaws become long-term frustrations. Whether it's your new home or a rental investment, let our certified inspectors ensure **your Meydan property is handover-ready**.
