🔍 What We Inspect in Mira Oasis

Our inspections are tailored to Mira Oasis's **townhouses and villa designs**, with a focus on comfort, safety, and long-term durability:

- **Flooring & Outdoor Paving**
Level alignment, grout condition, cracked tiles, and pathway slope
- **Walls & Ceilings**
Paint quality, plaster cracking, hairline splits, and damp signs
- **Doors, Windows & Joinery**
Smooth operation, soft-close action, proper sealing, and hinge alignment
- **Plumbing & Garden Fixtures**
Test garden taps, irrigation outlets, drainage, and hidden leaks
- **Electrical & Lighting**
Socket/switch safety, outdoor lighting, breaker panel function
- **HVAC & Ventilation**
Airflow consistency, thermostat accuracy, duct balancing, and noise checks
- **Kitchens & BBQ Areas**
Cabinet fitment, appliance installation, countertop sealing, and silicone work

- **Fences, Gates & Railings**
Check hinge/latch alignment, rust protection, and structural security
- **Common Areas & Landscaping**
Inspect playground safety, pool decks, walkway finishes, and green zones

Homes & Phases We Cover

We provide full snagging coverage across **all Mira Oasis property types**:

Home Type	Included in Inspection
Townhouses	3–4 bedroom layouts with garden spaces
Villas	Larger units with private yards and pools
New Handover & Off-Plan Units	Show homes, ready-to-move properties, and near-completion

Our inspectors know every floorplan nuance and common snag pattern—so nothing is missed.
