

Snagging & Handover Inspection – Motor City, Dubai

Motor City is a dynamic residential community inspired by motorsports—home to villas, townhouses, and mid-rise apartments, all set against the backdrop of the **Dubai Autodrome**, landscaped parks, and family-friendly pathways. While properties here feature sporty architecture and modern finishes, even well-built homes can hide defects—**uneven paving, drainage issues, misaligned doors, or AC imbalances**. Our expert snagging inspections ensure your new home is flawless before handover.

✓ Why Choose Us

- **Motor City Experts:** Extensive experience across villa, townhouse, and apartment builds in the area
- **Fully Certified:** DED-registered, RERA-approved, and InterNACHI-accredited inspectors
- **44,000+ Inspections Completed:** Trusted across Dubai's evolving communities
- **12-Hour Expert Reports:** Same-day snagging reports with image-rich detail
- **Transparent, Fixed Pricing:** Clear upfront rates—no hidden charges
- **Pay Later with Tabby:** Book today and pay on your terms

🔍 What We Inspect in Motor City

Our inspections are tailored for Motor City's diverse mix of properties:

Flooring & Outdoor Paving

- Level checks, grout integrity, tile damage, and slope verification on pathways and patios

Walls & Ceilings

- Identify plaster cracks, paint inconsistencies, damp spots, or structural settlement signs

Doors, Windows & Joinery

- Seal effectiveness, hinge strength, soft-close function, and frame alignment

Plumbing & Bathrooms

- Water pressure, proper drainage slope, concealed leaks, and sealed joints

Electrical & Lighting

- Socket layout, breaker panel safety, garden and balcony lighting, switch performance

HVAC & Ventilation

- Airflow balance, thermostat precision, duct sealing, and noise levels

Kitchens & Joinery

- Cabinet fitment, countertop sealing, appliance alignment, and finish inspection

Balconies & Railings

- Waterproofing membrane, tile slope, railing stability, and threshold sealing

Common Areas & Amenities

- Park finishes, shared pathways, building lobbies, façade checks, and Autodrome-view balconies

Properties & Projects We Cover in Motor City

Our inspections cover the full range of property types:

- **Villas** – Spacious single and double-story units
- **Townhouses** – Family homes along green streets and inner courts
- **Mid-Rise Apartments** – Including Victory Heights, Avenue Residence, OIA, and more
- **Off-Plan & Show Homes** – Pre-handover model units and upcoming launches

We inspect each type with precision, informed by years of experience with the area's common design traits and defect patterns.
