

Snagging & Handover Inspection – Nasma Gardens, Dubailand

Nasma Gardens is a serene, family-focused community in **Dubailand**, featuring stylish Mediterranean villas and townhouses set amidst parks, walking trails, and green open spaces. Designed for modern suburban living, these homes often come with premium finishes—but handover surprises like **grout cracks, HVAC imbalances, driveway slope issues, or seal defects** can still appear.

Our **expert snagging inspections** identify every detail—so you move in with total peace of mind.

✓ Why Choose Us

- **Nasma Gardens Specialists** – Familiar with layout-specific finishes and known community snag patterns
- **Fully Accredited Team** – DED-registered, RERA-approved, InterNACHI-certified inspectors

- **12-Hour Expert Reports** – Same-day delivery of photo-rich, organized snagging documentation
- **Transparent Fixed Pricing** – Clear costs upfront—no surprises
- **Pay Later with Tabby** – Book now and settle later with flexible options

🔍 What We Inspect in Nasma Gardens

We adapt our inspection checklists to every property type—ensuring nothing is missed:

- **Flooring & Driveways**
Surface leveling, grout gaps, paving cracks, slope for drainage
- **Walls & Ceilings**
Detect paint inconsistencies, plaster shrinkage, and moisture near wet zones
- **Doors, Windows & Joinery**
Test hinge performance, smooth operation, seal tightness, and frame alignment
- **Plumbing & Garden Fixtures**
Check tap flow, irrigation outlets, concealed leaks, and proper slope in drainage
- **Electrical & Lighting**
Socket and switch placement, panel safety, landscape lighting, and smart systems
- **HVAC & Ventilation**
Duct sealing, airflow zone testing, thermostat response, and quiet operation
- **Kitchens & Outdoor Spaces**
Cabinet installation, countertop sealing, appliance housing, and outdoor BBQ areas
- **Balconies, Fences & Railings**
Waterproofing, railing integrity, slope checks, and threshold sealing

- **Common Areas & Landscaping**

Evaluate pathway finishes, park safety elements, lighting, and outdoor fixtures

Communities & Homes We Cover

We provide full inspections across all Nasma Gardens property types:

- **Detached Villas** – 3–5 bedroom layouts with private gardens and terraces
- **Townhouses** – Community homes with garden access and multi-level living
- **Off-Plan & Ready Homes** – Model units, show villas, and brand-new handovers

Each property is evaluated to match its design, layout, and construction finish level.
