

# Snagging & Handover Inspection – Palm Deira, Dubai Islands

**Palm Deira**, a signature district of the Dubai Islands masterplan, is redefining luxury with its mix of waterfront villas, upscale apartments, and vibrant marina promenades. But even within such a visionary project, rapid construction timelines can lead to overlooked flaws—like **foundation settlement cracks**, **balcony drainage issues**, or **HVAC inconsistencies**. Our professional snagging inspections ensure every detail is ready for flawless island living from day one.

---

## ✓ Why Choose Us

- **Island Luxury Experts:** Specialists in beachfront and enclave construction quality

- **12-Hour Snagging Reports:** Photo-rich documentation delivered on the same day
- **Transparent Fixed Pricing:** No surprises—clear, upfront rates
- **Pay Later with Tabby:** Book now, settle payment on your terms

---

## 🔍 What We Inspect in Palm Deira

Every Palm Deira inspection is tailored to match the island's construction quality and premium living standards:

### Flooring & Foundations

- Stone, tile, and timber level checks
- Inspection of grout lines and settlement cracks near structural zones

### Walls & Ceilings

- Hairline cracks, moisture near sea-facing walls, and finish uniformity

### Doors & Windows

- Frame alignment, glass seal performance, soft-close and locking checks

### Plumbing & Drainage

- Internal/external fixture testing, concealed leaks, balcony water egress

### Electrical & Smart Systems

- Power outlet functionality, switch control, smart home panels, breaker boards

## HVAC & Ventilation

- Duct layout review, airflow balance, humidity control, and thermostat readings

## Kitchens & Laundry

- Appliance fit, silicone and sealant finish, cabinetry alignment, and utility drainage

## Balconies & Terraces

- Waterproofing membrane validation, tile slope grading, railing stability, screen seals

## Common Areas & Marina Edges

- Promenade paving inspection, lighting fixtures, lift access, and façade detailing

---

### Properties We Inspect in Palm Deira

We cover all current and planned residential developments in Palm Deira:

- **Signature Villas** – Private beachfront family homes
- **Luxury Apartment Towers** – Mid/high-rise residences along the marina
- **Custom Penthouses & Duplexes** – Bespoke layouts with panoramic water views

Each comes with its own architectural standards—we know exactly where to look and what to flag.

---

### Real Client Insight

“A buyer moving into a sea-facing duplex in Palm Deira noted subtle cracks in the guest bedroom wall. Our snagging inspection revealed early foundation settlement. The developer reinforced and sealed it under warranty before handover—delivering peace of mind and long-term stability.”
