

Snagging & Handover Inspection – Bu Kadrra, Dubai

Bu Kadrra is part of Dubai's emerging zone for **bespoke villas and custom luxury estates**, where every home is individually designed to reflect the owner's vision. With large plots, scenic landscapes, and upscale amenities, Bu Kadrra invites you to build your dream home from the ground up. But with custom builds come unique challenges—**uneven flooring, improper drainage, HVAC misrouting, or structural settling** can occur.

Our **expert snagging inspections** ensure your dream home turns out flawless—**functionally and visually**—before the handover stage.

✓ Why Choose Us

- **Bu Kadrra Plot Specialists** – Deep experience with custom villa projects, plot-level inspections, and tailored finishes
- **Fully Certified Team** – DED-registered, RERA-approved, and InterNACHI-accredited professionals
- **44,000+ Inspections Completed** – Proven trust across Dubai's bespoke and off-plan communities
- **12-Hour Expert Reports** – Receive same-day, photo-rich snag reports for peace of mind
- **Transparent, Fixed Pricing** – No surprises—just clear, upfront cost
- **Pay Later with Tabby** – Book your inspection now, pay later—maximum flexibility

🔍 What We Inspect in Bu Kadrra Custom Builds

Our inspections are designed specifically for **plot-level villas and individually constructed homes**:

- **Foundations & Flooring**
Check levelness, settlement cracks, screed finish, and subfloor moisture issues
- **Walls & Ceilings**
Spot plaster shrinkage, moisture ingress, paint flaws, and finishing inconsistencies
- **Doors, Windows & Frames**
Validate alignment, threshold seals, soft-close functionality, and custom frame finishes
- **Plumbing & Drainage Systems**
Test concealed pipework, bathroom drainage slope, irrigation lines, and stormwater exit points
- **Electrical & Smart Wiring**
Confirm socket placement, distribution panel setup, smart-home prep, and outdoor lighting integration
- **HVAC & Ducting**
Assess duct zoning, airflow distribution, thermostat accuracy, and operational noise
- **Kitchens & Joinery**
Inspect cabinetry installation, appliance alignment, countertop sealing, and joint finishing

- **Outdoor Areas & Landscaping**
Check patio grading, terrace sealing, pool deck drainage, fencing, and waterproofing
- **Structural Integrity & Compliance**
Review beam and column layout, concrete finishing, steel reinforcement exposure, and code compliance

Plot Types & Phases We Cover

We provide tailored inspections for all types of Bu Kadrra projects:

- **Standard Villa Plots** – Independently constructed homes through contractors
- **Custom Architectural Villas** – Turnkey projects from design-build developers
- **Show Homes & Model Units** – Final review of display units and demo villas

Whether you're finalizing a **private villa handover** or checking **structural completion milestones**, our team is trained to adapt to every **design spec and build stage**.
