

Snagging & Handover Inspection – Jumeirah Island, Dubai

Jumeirah Island is one of Dubai's most prestigious residential enclaves—where exclusive villas meet tranquil water features, private beaches, and skyline views of Burj Al Arab. Despite bespoke designs and upscale finishes, even luxury builds can conceal flaws: **stone cracks, uneven pool decks, door misalignments, or HVAC inefficiencies**. Our expert snagging inspections ensure every detail is flawless before handover—protecting your investment from hidden issues.

✓ Why Choose Us

- **Island Villa Experts:** Extensive experience with waterfront builds and island-specific defect patterns
- **Fully Accredited:** DED-licensed, RERA-authorized, and InterNACHI-certified inspectors
- **44,000+ Inspections Completed:** Trusted across Dubai's elite gated communities
- **12-Hour Expert Reports:** Detailed, image-rich documentation delivered the same day
- **Transparent, Fixed Pricing:** Upfront costs—no hidden charges
- **Pay Later with Tabby:** Book now, settle later—inspection made convenient

🔍 What We Inspect in Jumeirah Island Villas

We tailor each inspection to the luxury standards of Jumeirah Island homes:

Flooring & Pool Decking

- Check for stone cracks, slope drainage, grout wear, hollow patches, and surface chipping

Walls & Ceilings

- Detect hairline plaster cracks, moisture near water features, and inconsistent paint finishes

Doors, Windows & Joinery

- Ensure seal integrity, door swing precision, hinge alignment, and smooth closing

Plumbing & Outdoor Fixtures

- Assess outdoor showers, concealed piping, garden taps, slope grading, and pool plumbing

Electrical & Lighting

- Inspect socket installation, garden lighting, switchboard integrity, and smart-home circuits

HVAC & Ventilation

- Test zone balance, thermostat function, duct sealing, and airflow distribution across floors

Kitchen & BBQ Areas

- Review cabinet alignment, integrated appliances, countertop sealing, and drainage in BBQ sinks

Balconies & Glass Railings

- Verify waterproof membranes, railing anchorage, door thresholds, and tile slope

Landscaping & Promenades

- Check irrigation outlets, walkway continuity, lighting fixtures, and façade finish quality

Villa Types We Inspect

Our inspection services cover every villa configuration on Jumeirah Island:

- **Single-Level Beach Villas**
- **Two-Story Waterfront Homes**
- **Custom-Designed Estates & Show Homes**

Our inspectors are fully versed in the finishing standards and layout expectations for each villa typology—no snag goes unnoticed.
