

Property Inspection & Snagging in Murooj Al Furjan

Community Living, Delivered Flawlessly

Murooj Al Furjan is one of Dubai's most in-demand residential enclaves—offering modern villas and townhouses set within green spaces and family-centric amenities. While the community is known for its quality builds and sleek interiors, even well-crafted homes can have overlooked snags during handover.

From grout gaps and door misalignments to faulty fittings and plumbing leaks, **our certified snagging inspections** catch every detail so you can move in with total confidence.

Why Property Inspection Matters in Murooj Al Furjan

Fast-paced construction and phased handovers mean some units may be delivered with undetected flaws—no matter how reputable the developer. Early inspection ensures:

- Issues are resolved **before handover**
- You avoid **post-move repair costs**
- Your **developer warranty** remains valid
- Your home is ready for immediate, worry-free occupancy

Whether you're buying a family villa, an off-plan townhouse, or investing in a rental unit—**snagging protects your long-term value.**

What We Inspect in Murooj Al Furjan

Tailored to modern villas and townhouses, our inspections cover 500+ parameters, including:

1. Flooring & Grouting

- Tile alignment and leveling
- Grout gaps, cracks, and sealing
- Surface finish and uniformity

2. Walls & Ceilings

- Paint consistency and touch-up quality
- Plasterwork, micro-cracks, and damp spots

3. Doors & Windows

- Frame and hinge alignment
- Smooth opening and closing
- Sealant application and air/dust insulation

4. Plumbing & Bathrooms

- Water pressure and tap testing
- Drainage flow and slope
- Leak detection under sinks, showers, and spigots

5. Electrical & Lighting

- DB panel safety checks
- Socket and switch alignment
- Lighting layout and functionality

6. HVAC & Ventilation

- Temperature control and airflow balance
- Thermostat calibration
- Indoor unit noise and condensation checks

7. Kitchens & Cabinetry

- Cabinet alignment, hinges, and handles
- Countertop joints and silicone sealing
- Appliance installation quality

8. Balconies & Outdoor Railings

- Waterproofing and drainage
- Tiling, railing integrity, and wind resistance
- Seal checks around sliding doors

9. Common Areas & Landscaping

- Shared corridor and parking finishes
- Landscaping features and lighting
- Play areas, boundary walls, and walkway integrity

Phases & Units We Cover in Murooj Al Furjan

We've worked extensively across Murooj's current and upcoming clusters, including:

- **Townhouses:** Murjan, Ruwayyah
- **Villas:** Alnahda-style homes and family-centric layouts
- **Show Villas & Off-Plan Phases:** Pre-handover and model unit evaluations

Our inspectors know the **build quirks and material standards** unique to each phase—so nothing goes unnoticed.

What You Receive

Every inspection includes a **12-hour turnaround report** featuring:

- ✓ High-resolution photos
- ✓ Categorized snag summary
- ✓ Actionable repair notes for follow-up
- ✓ Warranty-ready documentation
- ✓ Sample report preview available upon booking

Real Client Story

“We inspected a Ruwayyah townhouse for a young family. They noticed a slight draft by the balcony door. Our inspection revealed poor sealing on the frame. The developer corrected it under warranty before handover. The client moved in to a cozy, draft-free home—stress-free and on schedule.”
